# Real Estate

The Deeds Limpeza (Kenya) Ltd is a real estate company focused on delivering high quality and customized services to individuals, the private sector and government clients in Kenya.

## Property Management (Commercial and Residential)

The Deeds Limpeza undertakes management of both commercial and residential properties with a personalized approach to each of its landlords using a team of well-trained property managers coupled with the latest technology in computer accounting. We provide unparalleled management services, where rents collected are released as per agreement with landlords, proper accounts and budgets for properties are made.

## Property renting and sales

We offer industry leading property marketing and acquisition services because we know buying and selling property can be a bit complicated and overwhelming process. We have a comprehensive listing of available residential and commercial units to suits a wide variety of clients. We ensure that we thoroughly educate our clients on prior selling and buying property on their behalf.

## Property development

We are the pioneer of off-plan sales of property in Kenya and in this respect, we work closely with the client in the development process and provide the crucial link between the developer and the target market, providing a complete package to the client.

## Assets Valuations

We offer valuations services to residential, commercial and industrial properties, as well as businesses.

Our valuation team applies in-depth market knowledge, experience, research and analysis across a range of sectors throughout the region. We undertake a wide variety of instructions ensuring in each case that we have an in depth appreciation of our client's requirements, tailoring our advice accordingly.

We have also partnered with society sacco's to provide home appliances e.g. fridges, TVs, cookers, washing machines, water tanks among others.
